# ShareVue | Quick Guide

POWERED BY ST. JOSEPH HEALTH INFORMATION EXCHANGE (HIE)

ShareVue is the new provider-facing web portal that allows providers to access acute, ambulatory and affiliated data in a single location in a clinically-friendly format.

## ACCESS AND LOGIN

**PATIENT SELECTION** 

### 1. To log in, visit <u>www.sharevue.org</u>.

- Hospital, Heritage Medical Group/Covenant Medical Group physicians & MA's can access ShareVue using their AD credentials.
- New hospital, Heritage Medical Group, Covenant Medical Group physicians and clinical staff may request access through the SAR process available in StaffHub.
- Non-St Joseph Health employed or affiliated physicians and clinical staff should complete the "User Access Form" located at www.sharevue.org and submit it to their local medical staff department

For technical support contact ASKIT@stjoe.org or call (877) 552-7547 For access support contact HIE@stjoe.org or call (714) 937-7000
